Ponca City Award Program Honors the Achievement

PONCA CITY October 21, 2015 -- Cookshack has been selected for the 2015 Best of Ponca City Award in the Food Processing Smokers category by the Ponca City Award Program.

Each year, the Ponca City Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Ponca City area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Ponca City Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Ponca City Award Program and data provided by third parties.
